

## PERRILL BATTLES FLYNN TONIGHT IN E. CHICAGO SERIES

Nothing but the best will satisfy East Chicago fight fans after the battle which was staged in each of the bouts of Oswego's last card but George promises that the twenty-six rounds on tonight's bill will equal any that have ever been seen in East Chicago. Bad Perryll, lightweight champion of Indiana, who Oswego says will have the championship of the world within a short time, will stage the main bout of the evening with Maurice Flynn of the west side of Chicago. Hurray Johnson and Tim McCarthy started a fight which looked promising the last time they were in East Chicago but McCarthy had to stop in the third round with a split lip. Both of these boys are sluggers and either may slip over a haymaker. Johnson also has a wicked uppercut which McCarthy will do well to keep out of the way of.

The preliminary six rounds between Al Lance and Artie Ross both of Chicago, will be just enough to turn up the crowd for the battles of the double windup. Lance has been on one of Oswego's cards and will be the favorite with local fans.

The fight will be staged in the Auditorium theater and will be refereed by Ed Smith.

## JACK'S MANAGER ANSWERS CHARGE OF MRS. DEMPSEY

(INTERNATIONAL NEWS SERVICE.) CHICAGO, Jan. 23.—Charles W. Mrs. Dempsey, divorced wife of Jack Dempsey, the heavyweight champion, that her husband was not only a "slacker" in the war, but that he was also not a bonafide worker in the ship yards, were answered today by Jack Kearns, the champion's manager. The International News Service received the following telegram from Kearns at Los Angeles:

"It is quite probable that the writing of the letter by the former wife of Jack Dempsey from whom he secured a divorce nearly a year ago, was at the instigation of persons who are involved in the gigantic and malicious effort to defame the clean reputation of Dempsey and to ruin him in the minds of the public.

"The construction of her letter—the very wording of it—makes it very plain to those who know her, that she has some one, perhaps with a legal education, dictate the writing of it. Her charges are too absurd to merit any detailed answer beyond this fact: "When Jack Dempsey filed out a questionnaire naming a wife among his dependents it was necessary for his wife to sign it to make the exemption claim official.

"Jack mailed the document to his wife from Chicago. She was living at that time with Jack's parents in St. Louis and was supported by him. Without threat of any sort or without any influencing she signed the document stating that Jack was supporting her.

"If Mrs. Dempsey has facts which would convict Jack of being a draft dodger then in fairness to the public she should present them, and if she cannot and if the facts that I have stated are the true ones then in justice to Jack she should retract them in every chance to break his down."

## "LIGHT FANTASTIC SPECIAL, DANCE-CANADA LIMITED," RUN BY RAILROAD OFFICIALS FOR THEIR EMPLOYEES

Being "At Home" to 6,500 people is a social proposition of colossal magnitude, but President E. W. Beatty and the vice-presidents and officers of the Canadian Pacific Railway are used to doing big things, and when their New Year's ball, banquet and reception was staged between 9 P. M. Dec. 31 and 4 A. M. Jan. 1, the vast crowd—very near to a record-breaker for an occasion of this kind—danced and dined in a ball room with an orchestra and a vaudeville show at one end. This great room, 130 by 60 feet, was all too small to accommodate the dancers, and when the last train had departed, the great concourse, 250 feet long and 60 feet wide, was added to the dancing space, having its own orchestra and a moving picture show besides. Messages of good will for the New Year from

President Beatty, Lord Shaughnessy and Vice-President Ogden were thrown on the screen as well as pictures of the Prince of Wales' great tour across Canada.

The great throng was banqueted for four hours, 600 being accommodated at a time in the refreshment rooms; 25,000 pieces of china were hired to supplement the regular service and 30,000 articles of wearing apparel were checked and cared for.

The cleverly devised program was an imitation of a time-table and was called the "Dance-Canada Limited, Light Fantastic Special C. P. R. No. 1920." It made a record run during the hours scheduled and its two great destinations were "Friendship" and "Inspiration."

## INDEPENDENTS OF GARY LOCK HORNS WITH OWLS TONIGHT

The Whiting Owls basketball team will entertain the Gary Independents tonight at the High School Auditorium in the first of a three-game series which these teams have agreed to play. It will be the survival of the fittest days that are so well remembered when Gary and the Owls provided the best exhibition of basketball to be seen in this locality. In those days the teams were evenly matched, the struggle was superhuman and general by a question as to which one would be returned the victor.

Then for a few years Gary dropped from the limelight as a strong contender and until this year have not appeared in the arena. They now have come out as the Gary Independents, a strong and speedy aggregation and furthermore, hold forth as the state amateur champions. This claim remains to be decided for the crown has rested with the Owls for too long a period to transfer its focus without a struggle. The game will be called at 7:45 p. m. as there will be community dancing after the game. Owl members can attend the game for the smoker will not commence until after the game.

## FLYNN AND REICH BARRED FROM JERSEY

(INTERNATIONAL NEWS SERVICE.) TRENTON, N. J., Jan. 23.—Dan "Torrey" Flynn, of Boston, and Al Reich, of New York, have been barred temporarily from engaging in boxing matches in New Jersey by the state athletic commission. It was announced today. It was charged that the boxers staged a "shambattle" in Trenton on Christmas day. Flynn is barred for one year and Reich for six months.

The commission ordered that the money which the fighters were to have received, be turned over to charity.

## PLAYS WITH KNOX

Eric Lund, of Hammond, is playing center on the fast basketball team from Knox college. Lund is one of two freshmen to make the varsity squad. The Knox quintet journeys to Chicago next week and to engage the teams from the V. M. C. A. college and Lake Forest.

world's record

"There has been much talk about the probability of Ruth being asked to make his last season in order to get more hits rather than distance," Huggins remarked. "To this I can say frankly that Ruth is one player who will be permitted to take his own time. When a player can average long hits as often as Ruth he is entitled to take his own time at all times."

"No, Ruth hasn't been signed to a contract," replied Huggins in answer to the question. "He has agreed to terms, however, and I expect him to arrive in New York just before we leave for Jacksonville, when he will sign up."

"No, Ruth hasn't been signed to a contract," replied Huggins in answer to the question. "He has agreed to terms, however, and I expect him to arrive in New York just before we leave for Jacksonville, when he will sign up."
